

AWARDS

Audiophilia 'Star Component Award', 2006

DEQX PDC-2.6P

"What I heard was truly amazing, jaw dropping, illuminating, eye opening, ear opening...well, you get the picture"

Martin Appel, Audiophilia, June 2006

Electronic House 'Product of the Year', 2005

DEQX Calibrated™ NHT Xd

Electronic House magazine has chosen NHT Xd Loudspeakers as one of its 'Electronic House Products of the Year for 2005'.

The winning products are chosen by the editors of EH Publishing's four magazines. Decisions are based on product reviews, product demonstrations, and discussions with the installers and users of the products. Topping the judges list of criteria are the following:

- Level of technological innovation
- Number of outstanding features
- Overall value-for-money

Blue Moon Award for 'Room/Speaker Correction + DAC/Pre Functionality in the Affordable One-box Turnkey Solution category', 2004

PDC-2.6P

Reviewer Edgar Kramer sees and hears the future of audio with the PDC-2.6P (he calls it "...a time machine in a one-rack-space box...") and is so impressed that he gives it a 6moons Blue Moon Award

PDC-2.6P G4TechTV 'Best of CES—Ultimate Award', 2005

New DEQX Calibrated™ DSP Speaker Corrected System

Capping off a week of product demonstrations, and news that the product will ship later this month, NHT Xd DEQX Calibrated™ DSP speaker corrected system won G4TechTV's® "Best of CES" Award for the Ultimate Audio category.

Hosted by Kevin Rose ("The Screen Savers") and G4techTV Managing Director of Tech Editorial, Andrew Hawn, G4techTV's Best of CES Awards recognized the top 12 new technology products coming out in the 2005 International CES. Winners in 12 separate categories were chosen from all the companies exhibiting at the show.

Audiophilia CES Report 'Runner-up, Best of Show', 2006

Wasatch's DEQX Calibrated™ Musina Music System

"The sound is incredibly dynamic, and retains the excellence in timbre, soundstage and imaging that audiophiles covet."

Anthony Kershaw, Audiophilia, January 2006

CEDIA 'Best Loudspeaker Under \$6000', 2004

NHT's DEQX Calibrated(TM) Xd speaker system

Another accolade for NHT's new DEQX Calibrated(TM) Xd speaker system from from Chris Martens, Editor/Publisher of AVguide Monthly

Stereophile 'Proof of concept in a hotel room' award, 2001

Clarity EQ

Online Editor, Jon Iverson, gives Clarity EQ the "proof of concept in a hotel room" award for the year.
